

Sili-Spray

RTU Concrete Repellant

Sili-Spray

Sili-Spray is a product designed to repel concrete, mortar, grout, gunite and paint. Its function is to make clean-up quick and easy.

Sili-Spray bonds electrostatically to both painted and unpainted surfaces. For ease of use, ***Sili-Spray*** is ready for immediate application to surfaces.

- Ready-to-Use
- Save hours of cleanup time
- Nonhazardous
- Quick, easy and economical application
- Lasts the whole day

Directions

Wipe or Spray on: Apply full strength to a dry surface. Smaller equipment can be dipped.

Apply ***Sili-Spray*** after the daily cleaning and it will protect the equipment all day.

All products made in the USA
